## **Lucky Draw Notice**

The Tertiary Education Services Office (GAES) of the Macao SAR Government has entrusted the Macao Tertiary Education Database Task Force of the University of Macau to conduct the Student Online Questionnaire Survey every year. To appreciate and express our gratitude towards the cooperation and support of all the participating students, a lucky draw with rich prizes is held by the Organizer at the end of each academic year.

### **Who is qualified?**

Any student who has completed the corresponding questionnaire and has provided the relevant information is automatically qualified for the lucky draw at the end of the academic year.

### **Date**

By June, every year

### **Procedure**

1. According to the category and amount of prizes, the organizer draws out prize-winners and standbys randomly by the computer system.
2. The organizer will notify each winner after the lucky draw.
3. Within a designated period, winners must bring along their student ID cards to the Tertiary Education Services Office for prize confirmation. Information including student number, year of study, telephone number and email address, will be verified.
4. Winners, if found not qualified for the prizes, will be disqualified and will be replaced by standbys in sequence order.
5. Winners will be considered as giving up their prizes, if efforts to reach them failed due to wrong contact information provided, or if they failed to appear for confirmation within the designated period, and will be replaced by standbys in sequence order.

6. The list of winners will be announced on the website of the Macao Tertiary Education Database once it is confirmed.

### **Prize-Presentation**

Should the organizer hold the prize awarding ceremony, winners shall attend with their student ID cards. For winners who do not attend the ceremony, they must come to the Tertiary Education Services Office to collect their prizes within the designated period. They will be considered as giving up the prizes if they fail to do so.

### **Notes**

1. In order to protect the privacy of winners, only part of their information (such as part of their student names or student ID numbers), will be included in the announcement released on the website of the Macao Tertiary Education Database.
2. Any request to convert the prizes into cash or other tangibles will be declined.
3. Further enquiries can be made to the Tertiary Education Services Office by phone.
